HOMELAND SECURITY/FEMA SID NUMBER (REQUIRED FOR PARTICIPATION)

New administrative procedures implemented by the U.S. Department of Homeland Security/ FEMA require that all students must obtain a FEMA Student Identification (SID) Number to attend any courses on campus, or receive credit through State delivery systems. The purpose is to remove the Social Security Number from their computer systems to safeguard sensitive data from being hacked within the Federal computer systems.

Students will need to obtain this number prior to submitting their 2020 New Jersey/Delaware Weekend application to Kean University. This requirement will be enforced by DFS upon all who attend the New Jersey/Delaware Weekend, and on all outreach program deliveries conducted in New Jersey. Failure to place the FEMA student ID number on the General Admissions Application will result in your application being returned, no exceptions will be made.

Once a student has received their FEMA Student Identification (SID) Number it becomes their permanent identification number for all National Fire Academy programs. Please visit <https://cdp.dhs.gov/femasid/> to request a ID# or to retrieve an existing ID#. After completing the FEMA Form 119 (short form), please print and have your Fire Chief or Agency Head indicate his or her approval by signing on line 19a. We recommend that on line 12a of the application you indicate three courses of interest to you, since we cannot guarantee your first course selection. xample: (1) W0322 (2) W0457 (3) W0522. **The Division of Fire Safety reserves the right to place an applicant into any course delivered regardless of the course preferences.**

Do not enter course numbers for classes that you are not willing to attend. If you previously completed one of the listed courses, you may not attend it again.

Telephone reservation requests or faxed applications are not accepted. Applications that are incomplete or do not have the proper form of payment will be returned and must be resubmitted. Applicants will receive notice of application receipt via email. All correspondence will be via email so it is the responsibility of the applicant to provide a correct email address in order to receive such correspondence. If you need to withdraw from this program, you must notify Kean University at 908-737-3069 or dkierych@kean.edu.

THE LAST DAY TO CANCEL REGISTRATION AND RECEIVE A REFUND IS APRIL 1, 2020.

Local substitution of an applicant will not be permitted when someone withdraws.

ADMISSION CRITERIA

Applications will be considered on a first-come, first-served basis, provided the applicant has a minimum of three years' experience as a first responder and meets the National Fire Academy Student Selection Criteria listed for the course selected. The National Fire Academy can only provide accommodations for qualified students. Therefore, in order to diversify the group of attendees at this event, the New Jersey Division of Fire Safety requests that no more than six individuals from any one organization submit an application. Acceptance notices will be emailed. It is the responsibility of the applicant to provide a correct email address in order to receive correspondence.

PROFESSIONAL CONDUCT

Each individual has the personal responsibility to exhibit professional conduct while on the National Fire Academy campus and in the neighboring community. The New Jersey Division of Fire Safety has the responsibility and authority to monitor, and along with campus security, to take necessary action to correct unprofessional conduct. Any person that has sanctions taken against them will be reported to their agency chief. Serious infractions will cause the attendee to be sent home immediately and will result in the individual being banned from attending programs on the NFA campus.

If you submitted an application for New Jersey/Delaware Weekend and cannot attend, you must notify Kean University, via e-mail at dkierych@kean.edu. Failure to do so will result in you being banned from attendance at the National Fire Academy for a period of two years. The only exception to this policy will be cases of emergency.

CHECK-IN

Registration takes place on May 1, 2020 beginning at 4:00 p.m., in the lobby of Building C. Upon arrival, you must report to the National Fire Academy's check-in desk to obtain room assignments, key card, your meal ticket, and a name tag, which must be kept with you at all times. Photo identification is required to be admitted through the main gate of the NFA and to be admitted to check-in at the guest service table for registration. If you drove a vehicle, you will be required to submit your vehicle's tag number and park in the assigned parking lot. In order to avoid a delay in the registration process, please have this information readily available. You must also register at the Division of Fire Safety's table in the lobby of Building C.

ROOM ASSIGNMENTS

All lodging rooms are non-smoking and are randomly assigned by the National Fire Academy Admissions Office. Due to the random assignments of rooms, classmates may not be lodged together. Students may be lodged a distance from the registration building; for this reason we recommend luggage with wheels. The exchanging of rooms is not permitted. The reason for this is to maintain accountability. Dormitory Room Amenities: twin bed, linens, towels, private bathroom, TV and clock radio, refrigerator, telephone with voice mail.

CAMPUS SECURITY REGULATIONS

The NFA is a federal facility. Due to increased security precautions, students should bring two photo identifications to campus. Please have them with you; not in your luggage. **If you do not have the photo ID's, you will not be permitted on campus.** Due to heightened security requirements, security and law enforcement personnel may search you, your vehicle or your luggage. Alcohol is not allowed in lodging rooms or vehicles and will be confiscated. For your own protection, and to expedite your processing into the National Emergency Training Center, do not bring weapons of any kind to campus. Maryland law is very narrow in its definition of Law Enforcement Officers who may carry firearms.

PARKING

Participants must register their vehicle with the National Fire Academy upon arrival at 'C' Building, so have your license tag number with you, when you register. The National Fire Academy's staff will direct you on where you may park your vehicle. Please do not park in faculty/staff parking areas or other restricted zones. Refer to the campus map, which is available at the National Fire Academy's registration desk. The payment of parking tickets received is the sole responsibility of the student.

Participants may not take the same course at the National Fire Academy more than once.

CLASS ATTENDANCE AND CONDUCT
