NFA COURSE REGISTRATION

The National Fire Academy has transitioned to an online admissions system. Students MUST apply at <https://training.fema.gov/generaladmissionsapplication/staticforms/startapplication.aspx>

Applicants will receive an automated acknowledgment notification when their application is approved.

The link to the NFA online application will also be available online at www.keanfiresafety.com for your convenience.

HOMELAND SECURITY/FEMA SID NUMBER

(REQUIRED FOR PARTICIPATION)

New administrative procedures implemented by the U.S. Department of Homeland Security/FEMA require that all students must obtain a FEMA Student Identification (SID) Number to attend any courses on campus, or receive credit through State delivery systems. The purpose is to remove the Social Security Number from their computer systems to safeguard sensitive data from being hacked within the Federal computer systems.

Students will need to obtain this number prior to submitting their 2024 NJ Weekend application to Kean University. This requirement will be enforced by DFS upon all who attend the NJ Weekend, and on all outreach program deliveries conducted in New Jersey. Failure to place the FEMA student ID number on the General Admissions Application will result in your application being returned, no exceptions will be made.

APPLICATION DEADLINE

The last date for receipt of postmarked applications is **April 1, 2024**. No applications will be accepted after this deadline. Telephone reservation requests or faxed applications are not accepted. Applications that are incomplete or do not have the proper form of payment will be returned and must be resubmitted. Applicants will receive notice of application receipt via email. All correspondence will be via email so it is the responsibility of the applicant to provide a

correct email address in order to receive such correspondence. If you need to withdraw from this program, you must notify Kean University at 908-737-3060 and/or kgrant@exchange.kean.edu and dkierych@kean.edu.

THE LAST DAY TO CANCEL REGISTRATION AND RECEIVE A REFUND IS APRIL 29, 2024.
Substitution of an applicant will not be permitted when someone withdraws.

ADMISSION CRITERIA

Applications will be considered on a first-come, first-served basis, provided the applicant has a minimum of three years' experience as a first responder and meets the National Fire Academy Student Selection Criteria listed for the course selected. The National Fire Academy can only provide accommodations for qualified students. Therefore, in order to diversify the group of attendees at this event, the New Jersey Division of Fire Safety requests that no more than six individuals from any one organization submit an application. No more than two members from the same fire department will be permitted into the same class. Acceptance notices will be emailed. It is the responsibility of the applicant to provide a correct email address in order to receive correspondence.

PROFESSIONAL CONDUCT

Each individual has the personal responsibility to exhibit professional conduct while on the National Fire Academy campus and in the neighboring community. The New Jersey Division of Fire Safety has the responsibility and authority to monitor, and along with campus security, to take necessary action to correct unprofessional conduct. Any person that has sanctions taken against them will be reported to their agency chief. Serious infractions will cause the attendee to be sent home immediately and will result in the individual being banned from attending the New Jersey Weekend for two (2) years.

If you submitted an application for New Jersey Weekend and cannot attend, you must notify Kean University at 908-737-3060 or via e-mail at kgrant@exchange.kean.edu and dkierych@kean.edu. Failure to do so will result in you being banned from attending NFA courses for two years. The only exception to this policy will be cases of emergency which must be coordinated through New Jersey Weekend staff.

CHECK-IN

Registration takes place on May 31, 2024 beginning at 4:00 p.m., in the lobby of Building C. Upon arrival, you must report to the National Fire Academy's check-in desk to obtain room assignments, key card, your meal ticket, and a name tag, which must be kept with you at all times. Photo identification is required to be admitted through the main gate of the NFA and to be admitted to check-in at the guest service table for registration. If you drove a vehicle, you will be required to submit your vehicle's tag number and park in the assigned parking lot. Security personnel at the gate may search your bag, car or clothing. In order to avoid a delay in the registration process, please have this information readily available. You must also register at the New Jersey Division of Fire Safety's table in the lobby of Building C.

ROOM ASSIGNMENTS

All lodging rooms are non-smoking and are randomly assigned by the National Fire Academy Admissions Office. Due to the random assignments of rooms, classmates may not be lodged together. Students may be lodged a distance from the registration building; for this reason we recommend luggage with wheels. The exchanging of rooms is not permitted. The reason for this is to maintain accountability. Dormitory Room Amenities include twin bed, linens, towels, private bathroom, TV and clock radio, refrigerator and telephone with voice mail.

CAMPUS SECURITY REGULATIONS

The NFA is a federal facility. Due to increased security precautions, students should bring two photo identifications to campus. Please have them with you; not in your luggage. **If you do not have the photo ID's, you will not be permitted on campus.** Due to heightened security requirements, security and law enforcement personnel may search you, your vehicle or your luggage. Alcohol is not allowed in lodging rooms or vehicles and will be confiscated. For your own protection, and to expedite your processing into the National Emergency Training Center, do not bring weapons of any kind to campus. Maryland law is very narrow in its definition of Law Enforcement Officers who may carry firearms.

PARKING

Participants must register their vehicle with the National Fire Academy upon arrival at 'C' Building, so have your license tag number with you, when you register. The National Fire Academy's staff will direct you on where you may park your vehicle. Please do not park in faculty/staff parking areas or other restricted zones. Refer to the campus map, which is available at the National Fire Academy's registration desk. The payment of parking tickets received is the sole responsibility of the student.

NFA TELEPHONE NUMBERS

If you need to be contacted while at the NFA, you may use the incoming campus telephone number 301-447-1048 for messages. The number is operational 24 hours a day.

ELIGIBILITY TO ATTEND COURSES

Disregard of the specified course requirements results in an audience mix that is difficult for the instructor, and leads to frustration on the part of those students who meet the target audience criteria. Participants may not take the same course at the National Fire Academy more than once.

CLASS ATTENDANCE AND CONDUCT
